OFFICE OF THE SECRETARY

Dear FCC:

The City of Wellington wishes to voice their concern about a recent rate increase by Cable Video effective January 1, 1993. The citizens and Council feel the rate is too high for such a small community. Enclosed is a copy of the letter mailed to our Council members. Mr. Magee never visited the meetings; the rates were simply increased without any input from the Council.

We would like you to consider our complaint very seriously. Thank you in advance for your time and concern for our community.

Sincerely,

*Richard Peterson*

Dear Mayor and City Council:

Continuing our policy of individually notifying each city council member concerning rate adjustments, Cable Video would like to inform you, effective ~~December 1, 1992~~ <sup>January 1, 1993</sup>, the new full service rate of cable television in Wellington will be \$22.50 (or a \$1.75 increase). And, per your request, the Lifeline Service rate (cable channels 2 through 13) will be lowered to \$11.95.

The full service rate increase will only affect our subscribers paying for extended programming, while the Lifeline decrease will be greatly beneficial to our older and fixed income subscribers.

I will attempt to appear before your council prior to these rate adjustments, but I will be contacting your city clerk to schedule a meeting time.

Sincerely,

Rick Magee
